# The Spirit of L.H.S.

Leslie High School
Leslie, Michigan

Leilani Robins, Editor

# Dedication

Mrs. Burnette is the high school Secretary and has loyally worked for us many years. Our girl Friday dedicates her time to helping the school in many times of need and her cheerful and pleasant disposition has won her many friends at L. H. S.

For her hard work and out-standing contributions we proudly dedicate the 1967 Blackhawk to Mrs. Burnette.

# ADMINISTRATION

In future years members from this graduating class will be distributed among many vocations and careers. Varying degrees of wealth, prestige and affluence will be attributed to each of these different positions. These factors are secondary however, to how well you have established your personal life. In common as husbands or wives, fathers or mothers and as citizens of a community your greatest responsibility may be met and your greatest success derived from life. To these objectives we extend our best wishes for your achievement.

Dave Eddington
Supt. of Schools

Terry:
I admire your
courage + friendly
attitude - Best of luck
in the future.
Thomas Craig

We are living in a world that is torn by ignorance and hate. The world is searching for a formula that will produce peace and happiness. Two necessary ingredients in that formula would appear to be knowledge and love. Knowledge without love is ineffective in producing peace and happiness, as is love without knowledge.

It takes the combined training of the home, school, and church to develop the capacities for learning and loving in our young people.

Education is more than textbooks, tests, themes, etc.; it is also learning how to successfully live with others in a changing, complex world. Education should dispel ignorance and hate.

It is my desire that every graduate of Leslie High School should be equipped to be a worthwhile citizen of our community, our state, and our world.

Thomas Craig
High School Principal

Leslie's 1966 football team captured the Ingham County League Championship with a 7-0 record (all wins) for the first time in the school's history. The Blackhawks were out-weighed in every game and relied on their quickness and determination to make up for their size. The Blackhawks worked hard all season and every player played an important part in the success of the season.

We are all proud of our team, and our terrific coaches.
